Actively explore nature and the mountains

Our hotel is located at the heart of the Dobratsch nature park at an altitude of 900 m above sea level – above the clouds! The landscape of Heiligengeist, dominated by meadows and farmland, is perfect for a relaxing stroll and our local mountain, the Dobratsch, can easily be conquered in approx. 5 hours.

Carinthia's most popular sights and numerous sports opportunities are located just a few kilometres from the hotel. With thermal baths, riding, skating, cycling, tennis and golf – there's sure to be something for everyone. The Wörther, Faaker and Ossiacher lakes are only around 20 minutes away and are perfect for bathing – and of course you can relax in the hotel's own open-air heated swimming pool.

The Warmbad Villach and Bad Bleiberg thermal spas provide a real oasis of well-being. With massages, therapies and cosmetic well-being packages – you will be spoiled for choice, but we are always on hand to help you decide.

We are also fortunate to be situated close to Slovenia and Italy: from here, you are just a stone's throw away from sampling a delicious Bled cream cake or browsing round a Tarvisio market.

Tips:

We can accommodate groups of 10 people or more in our alpine and hunting lodge, if you book this in advance. From here you can enjoy a fantastic view and enjoy an alpine picnic or romantic campfire.

Winter walking and magical alpine lodges

Winter at **Ebner** sees the alpine environment coated in a magical white blanket of snow. If you're looking for a typical commercial and noisy Winter sports destination – you won't find it here!

Instead, the Winter walks, cross-country skiing, ski tours, horse-drawn sleigh rides and beautiful snowy landscape are sure to charm you.

Just 300 m from the hotel are two practice lifts for our young guests. For those with more experience, our hotel is the perfect starting point for your own personal 'skiing safari'. The extensive ski slopes of the Alpe Adria area are located directly in front of our hotel: nestled between three countries, Gerlitzten, Verditz, Nassfeld, Tarvisio and Kranjska are just a few kilometres away. We also provide a free ski bus to Carinthia's largest skiing area, Nassfeld. The bus departs daily from directly in front of the hotel.

After an eventful day's skiing, it's back to the hotel to warm up either with a Jagatee rum tea at the hotel bar or in the hotel's own sauna and solarium.

Tips:

The thermal spas located close by provide pure relaxation in Winter.

For beginners, the Gerlitzten ski resort offers its own ski school programme complete with ski hire.
